

# 8th Annual Boy Scout Spectacular

Dr Pepper Ballpark

## Coming June 2010

**How does meeting a RoughRiders player, getting autographs, attending a baseball game with fireworks, and watching a movie sound?**

*Can you imagine hanging out with your friends in a professional baseball stadium and watching a movie from the outfield?*

*Where else can you meet and get autographs from professional baseball players before the game while eating a turkey leg?*

### **What is happening pre-game for the Scouts?**

- Come in early and get a chance for a Boy Scout/Rough Riders only "Meet and Greet". Listen to one player's story and have a chance to ask questions.

### **Where are our seats for the game?**

- **In The Bullpen** ~ In this area the bullpen is submerged right in the middle of the group area, your unit will sit together and have a perfect view of both the game on the field and the pitchers as they warm up before they take the mound.
- Your unit number will be listed on the video board.
- Each Boy Scout will receive a Rough Riders patch to commemorate the evening.
- Boy Scouts in uniform may even be chosen to participate in an in-game contest.
- Everyone in your group will have a chance to win a prize when they fill out their enter-to-win forms.
- Free RoughRiders Limited Edition Visor.

### **What is happening post game for the Scouts?**

- Stick around after the baseball game and experience a firework extravaganza. If the fireworks are not enough, stay a bit later when a scout only post-game movie is shown on the video board. So bring a blanket and find your spot in the outfield.

### **Can family members attend?**

- Sure they can! Anyone that comes to the game with the Boy Scouts is welcome to stay after the game and watch the movie on their blankets in the outfield.

### **How much is it ?**

- The cost is **\$13 per person (price may change?)**

### **When is the deadline to secure our tickets?**

- **The deadline will be announced at Roundtable and on the Southern Sky website.**

**To reserve your spot or to get additional information, have your Unit ticket coordinator contact:**

**Bruce Wiuff with the Circle-10 Council by phone 469.450.5415  
or e-mail: [bruce\\_wiuff@yahoo.com](mailto:bruce_wiuff@yahoo.com)**
