

# Do a good turn... Scouting for Food

... around the block, around  
the neighborhood

The old Arrowhead District Cub Scouts, Boy Scouts, Varsity and Venturing Scouts collect more than 46,000 food items each year, providing a "good turn" service for their friends and neighbors who are ready to help a good cause. They gather nourishment for thousands of needy children and families in our North Collin County communities. Now it is our turn, for Southern Sky to do its part!

**Jan 30 or Feb 04** Boy Scout Troops, Cub Scout Packs, and Venture Crews pickup collection bags at either our Annual District Recognition Dinner (Jan 30) or our February Roundtable (Feb 04).

**Feb 13** Cub/Boy/Venture Scouts deliver bags to homes in assigned neighborhoods

**Feb 20** Cub/Boy/Venture Scouts pick up bulging bags of food from homes in assigned neighborhoods. **Call or email to your local coordinator your unit's can count in by 2:00pm!**

*We will need area coordinators for this event! If you wish to help, please contact the Southern Sky Scouting for Food Chairman, Ann Boudreaux, at (972) 562-5569 or email [budo@ti.com](mailto:budo@ti.com)*

*Look for more information at your monthly Cub Scout/Boy Scout/ Venture Roundtables and on the Southern Sky website ([www.southernskydistrict.org](http://www.southernskydistrict.org)) in the upcoming months!*
